Re: *Lower Darby Creek Area Superfund Site – Clearview Landfill, Folcroft Landfill  
and Folcroft Landfill Annex*

Dear Mr. Egan:

Confirming our telephone conversation this afternoon, at Viacom Inc.'s (successor in interest to Westinghouse Electric Corporation) request, EPA has granted an extension of time to respond to the Required Submission of Information for the Lower Darby Site until August 29, 2003. Should any unforeseeable circumstances cause delays in the collection of information and Viacom be unable to meet the August 29<sup>th</sup> deadline, additional time will be granted upon request.

As discussed, the Progress Pollution Report and any documentation EPA has linking Westinghouse Electric Corporation to the Site would aid our investigation and should be sent to:

William D. Wall

If you have any questions relative to the foregoing, please do not hesitate to contact me at 412-642-3349.

Very truly yours,

  
Cheryl A. Kucera
